Projects & Experiences

Mt. Fuji Sushi and Hibachi (Server)

2020 - Present

Managed high guest volume in a fast-paced environment by juggling orders, payments, and customer needs simultaneously, ensuring accuracy under pressure. Increased faster table turnover while consistently receiving positive guest feedback.

DSP Trainings (Design Intern)

2024

Second employee at an early-stage startup, designing the visual identity from the ground up. Led development of the full branding system (logo, color palette, typography, and layouts) and designed, built, and deployed the company website. Acted as a brand consultant, directly supporting multiple local and nationwide partnerships through cohesive visual strategy and a scalable web presence.

The Alley Boba (Barista & Team Lead)

2022 - 2023

Contributed to pre-opening operations months ahead of the grand opening with a team of seven. Supported store setup, workflow planning, and staff training. Rotated across workflow drink prep, and kitchen roles to stabilize service during peak hours, reducing onboarding time and improving operational efficiency in a high-traffic launch environment.

Saint Andrews Football Club (Forward)

2021

Competed professionally in Barcelona, Spain, overcoming a language barrier through adaptability and nonverbal communication, strengthening team cohesion and contributing in vleading team goal controbutions.
